Q3 / 2022

Q3/2022

MARKET REPORT

During Q3|2022 the average price of closed units in LIC rose 2% year over year, but was down 1% compared to Q2|2022. The average price per foot for closed units in LIC rose slightly compared to Q3|2021, increasing 1%. During Q3|2022 the average price of units in contract dropped 4% quarterly and the average price per foot of units in contract remained unchanged with less than a 1% difference compared to Q2|2022. The average price per foot of resale units in LIC has increased 4% year over year increase for units in contract and 12% year over year, for closed units. The average price per foot of units in new developments in LIC has increased 1% year over year for units in contract, while the average price per foot of closed units increased 6% year over year.

During Q3|2022 the Astoria condo market showed an increase in the average price per foot for units in contract of 4% quarterly, while the average price of units in contract was down 16% compared to last quarter. The volume of units in contract remained unchanged compared to Q2|2022 and the volume of closed units was down 4% compared to Q3|2021. The LIC and Astoria condo markets continue to offer a unique opportunity for buyers looking for luxury new developments outside of Manhattan and Brooklyn.

The Flushing condo market had a strong quarter, with a 14% year over year increase in the average price of closed units. During Q3|2022 the average price of units in contract rose 25% year over year and 7% quarterly. There was an increase in the average price per foot for closed and in contract units in Q3|2022, with closed units increasing 14% year over year and units in contract rising 8% quarterly as well.

The LIC rental market has continued its upwards trend in Q3|2022. The number of rented units in LIC rose 45% compared to Q3|2021 and was down 2% since last quarter. The average net rent was up 5% compared to Q2|2022, while the average net price per foot increased by 19%. During Q3|2022 the average net rent for units in LIC reached a new all-time high of \$4,277. After a strong first half of the year the LIC rental market has continued to grow, and we expect this trend will continue into Q4. In Q3|2022 the average net rent of units in Astoria rose significantly, increasing 21% year over year and 8% compared to last quarter. The average net price per foot rose 10% compared to Q2|2022. Much like the LIC rental market the total volume of rented units in Astoria increased for the second consecutive quarter, rising 25% quarterly and 17% year over year. The LIC and Astoria rental markets have continued the growth seen in the first half of 2022 and is showing no signs of slowing down.
